## From the President

Thank you for entering one of our Sydney Royal Competitions. Attracting an incredibly diverse range and exceptionally high standard of entries, our competitions remain one of the highlights of the Sydney Royal Easter Show experience for so many.

This year feels especially important as we celebrate 200 years since the Royal Agricultural Society was formed. Our founders believed the use of competitions would improve the quality of Australia's produce and promote better practices, and I am certain every entry we receive this year is evidence of that.

Our first competitions included livestock, cheese, coffee and wine. The first prize we awarded was a silver tankard before we made the judicious decision to present silver and gold medals. As entry numbers increased and the standard of entries continued to rise, we moved to ribbons and sashes, each one carefully printed with the year and category, and destined to become a treasured keepsake.

We welcome entries from right across the country, giving all entrants the opportunity to be judged as the best from all of Australia. Each year a new region or town shines in various competitions and celebrates a hometown hero or two, and we can all take pride in that.

Each year in response to trends amongst artisans, producers, consumers and industry we review our competitions, ensuring we continue to attract a broad representation of the finest Australia has to offer.

As I thank all competitors for taking the time to enter, I must also thank our judges for giving their time so willingly and sharing their expertise with all involved. Also thank you to our generous sponsors along with our Committees, Councillors, Breed Societies and supporters.

On behalf of everyone involved with the Sydney Royal Easter Show, Sydney Royal competitions and the Royal Agricultural Society of NSW as a whole, I hope you enjoyed your Sydney Royal experience and I encourage you to join in the tradition of entering every year.

A handwritten signature in black ink, appearing to read 'M J Millner'.

Michael Millner  
President, Royal Agricultural Society of NSW

# We're putting home-baking back in the heart of the community.

When you think about the Sydney Royal Easter Show, you think about gorgeous, plump, fruit filled cakes, expert marbling, dreamy light as air sponges made with love by home-bakers.

At Bakesale, we know that there is something irreplaceable about home-made.

That's why we created a revolutionary new online marketplace that connects professional home-bakers with the community.

Are you a professional home-baker wanting to grow your business? Or do you want an alternative to mass-produced baked goods?

Support your local baking community today!
