SINCE 1872

Royal Agricultural Society of NSW

Thank you from the President

Thank you for entering in this Sydney Royal Competition and congratulations to those who were successful in winning a prestigious Sydney Royal award.

Our Sydney Royal competitions showcase excellence in rural produce and the passion of so many talented producers across NSW and interstate each year.

The standard of entries from right across the country continues to be remarkably high which is immensely pleasing for everyone involved in the Royal Agricultural Society of NSW (RAS). Rewarding excellence and encouraging innovation in food and wine production is at the heart of our charter, and in turn supports a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication and is highly regarded by fellow producers. To help winning Exhibitors promote their success, the RAS provides Champion, Trophy, Gold, Silver and Bronze medal winners with Sydney Royal artwork to use on product packaging and other marketing materials to promote their success.

The RAS has a solid reputation for impartial judging standards, quality and distinction. We review our Competitions every year to ensure they remain relevant to industry standards and are up-to-date with changing trends. In the same manner, we value the strong links we have with agricultural industries and welcome feedback from producers and exhibitors.

There are many people involved in making our Competitions the world-class events they are and we take this opportunity to thank our stewards and judges for their time, expertise and energy. Their wisdom and integrity ensure Sydney Royal awards are presented only to the best of the best. We also extend our gratitude to our generous Competition partners along with our Committees and supporters.

On behalf of the RAS, thank you for your support. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries, and we encourage you to join in the tradition of entering every year.

We hope to see the winners of this year's Competitions go on towards even greater things as a result of their Sydney Royal success.

Camel Milk Makes Successful Debut at Sydney Royal Cheese and Dairy Produce Competition.

It may be all about humble beginnings, but Camel Milk has made a successful debut in the prestigious 2018 Sydney Royal Cheese and Dairy Produce competition.

The winners were announced at an awards presentation at the iconic 'The Stables' overnight at Sydney Showground, Sydney Olympic Park.

A Gold Medal has been awarded to Summer Land Camels of Harrisville, Queensland for its Camel Milk entry.

A Silver medal has been awarded to Camel Milk NSW, based at Muswellbrook, for its Camel Milk entry, while Silver also has gone the way of Summer Land Camels Queensland for its Marinated Persian Feta.

Expert judges considered almost 100 classes of produce from milk through to cream, cheese, sorbet, gelato, yoghurt and ice cream.

Chair of Judges for the Sydney Royal Cheese and Dairy Competition Mark Livermore says the annual entries continue to impress.

"Our exhibitors are very passionate about their craft – after all it is their livelihoods and year on year we are seeing high quality and innovation in the cheese and dairy sectors," Mark Livermore said.

"Who would have imagined years ago that the Sydney Royal judges would be called upon to adjudicate on the wide and increasing range of products from sheep, goat and buffalo milk and for the first time this year, camel milk?"

"The white milk classes were again large in number and hotly contested.

"The judges were particularly impressed with the quality of milk submitted for judging. It is this high quality milk which enables the Australian dairy industry manufacturers to produce such outstanding products," he said.

As always the Sydney Royal competitions produce some fantastic stories of smaller producers mixing it with the major market operators in their respective sectors and holding their own.

"These are exciting times in the Australian Cheese and Dairy produce scene and the imagination of producers big and small suggests the sky is the limit," Mark Livermore added.

Champions from all Sydney Royal Wine, Dairy and Fine Food competitions across the calendar year are eligible for consideration for the ultimate accolade, the President's Medal, unveiled at a gala awards night at each Sydney Royal Easter Show.
