Royal Agricultural Society of NSW

Welcome from the President

The mission of the Royal Agricultural Society of NSW (RAS) is to forge the future of Australian agriculture. Sydney Royal Competitions contribute significantly to this mission and have themselves become a benchmark of excellence, underpinning Australia's increasing agricultural performance and innovation. Sydney Royal Wine, Dairy and Fine Food competitions also deliver a much-needed showcase platform for growers and producers, connecting them directly with their target market commercial and consumer buyers. There are not many other avenues available for these communities to connect in such a dynamic, practical, and successful way.

The RAS understands that for Sydney Royal winners and champions, a win is a testament of achievement at the highest level in their respective associations, following months and often years of unswerving dedication to their craft. A Sydney Royal win is recognition of talent, personal dedication, commitment, uncompromising diligence, and good old Aussie hard work.

As well as pride and prestige, a Sydney Royal win provides a springboard to increased returns. All winners receive a Sydney Royal Medal and digital emblem, and we have seen these emblems pop-up everywhere from labels on bottles of winning wine, to websites for craft beers, and in the windows of brick-and-mortar gelato shopfronts!

Our competitions are renowned for their fair yet rigorous judging process, for the professionalism and integrity of our judging panels, and the relevance of our classes to industry and consumer trends. We review our Competitions every year to ensure they remain on target with industry standards and up-to-date with emerging trends.

There are many people involved in making our Competitions the world-class events they are. I must thank our judges for their time, expertise and energy. Their impeccable ethics ensure that only the best-of-the-best are awarded. I also extend my gratitude to our generous Competition sponsors along with our committees, Chairs and supporters.

And to our Sydney Royal entrants and medal winners, thank you! Thank you not only for participating but also for being part of the future of Australian agriculture! We are extremely grateful to all Australian producers who support our competitions and strive to excel within their industry. As each industry reaches for higher goals, all Australian's benefit.

I trust all entrants have enjoyed their experience and taken advantage of the judging feedback they receive, as well as the marketing opportunities available for those who are Sydney Royal medal winners. I encourage all of you to enter again next year and continue to grow your product alongside those of your peers.

Australia's best Cheese & Dairy products crowned.

Thursday, 16th February 2023.

Australia's finest cheese and dairy products have been awarded tonight, with the Royal Agricultural Society of NSW announcing the champions of its 2023 Sydney Royal Cheese & Dairy Produce Show.

Following four days of intense judging which saw over 500 entries go head-to-head across 95 classes, including categories such as cheese, yoghurt, gelato and sheep, goat, buffalo or camel milk products, sixteen champion products have been named.

Sydney Royal Cheese & Dairy Produce Show Guest International Judge, Craig Gile said the range of cheeses available, and quality of judges was phenomenal.

"I have been fortunate enough to be a part of a lot of different contests throughout the world and this has got to be one of the most interesting and well organised contests that I have been to," Craig Gile said.

"What's been great is the number of cheeses that you had, it's a high number compared to a lot of contests. There was a lot of stunning cheeses and it's been great to get a little bit of experience on a lot of high-end cheeses that are a little bit different to how some of the U.S cheeses perform.

"The population out here must love big flavours, which is great. I noticed the cheddars tend to be a little sweeter than in the states, which works out really well with some of these long-aged cheese that you're doing.

"One of the big standouts, for me, was the high-end ingredients that were added into the cheese which I don't always see at different contest throughout the world, that was fantastic. I've also enjoyed having access to your high-end creams, I think that is one category you do even stronger than the US."

RAS 15th Annual President's Medal finalist Robertson's Pecora Dairy reclaimed its 2021 title taking home **Champion Cheese of Show** for its Yarrawa cheese, while South Gippsland's Berrys Creek Gourmet Cheese showed its 2022 Champion Cheese of Show, Oak Blue, is still an award-winner by claiming **Champion Specialty Cheese** and a spot on the coveted **Australian Cheeseboard** once again.

For ice cream fans, it was Tasmania's Van Diemens Land Creamery that impressed the judges with its Lemon Curd Ice Cream winning **Champion Full Cream Ice Cream or Gelato**, while Sydney's Gelateria Goldola took home **Champion Low/Reduced Fat Ice Cream or Gelato** with its Frutto Della Passione.

Fonterra Australia – Spreyton claimed **Champion Butter** for its Duck River Premium Butter and **Champion White Milk** went to Brownes Dairy for its Brownes Lactose Free Full Cream Milk.

This year welcomed a range of returning champions and a strong variety of new exhibitors, who demonstrated an outstanding result with medals awarded across the board. In total, the competition awarded 71 gold, 127 silver, and 170 bronze medals.

In addition to their award, top medal winners are given the opportunity to promote their product at the Sydney Royal Easter Show and may be chosen to supply their product at one of the many events that take place at Sydney Showground throughout the year.

Please see full list of 2023 champions below or discover local gold, silver and bronze medal winners via the results page [here](#).
