SINCE 1872

Royal Agricultural Society of NSW

Welcome from the President

Thank you for entering one of our Sydney Royal Competitions and congratulations to those who were successful in winning a prestigious Sydney Royal medal.

I'm delighted to see that the Sydney Royal Competitions continue to attract a remarkably high standard of entries, not only from New South Wales, but right across the country. Agricultural competitions are at the heart of the Royal Agricultural Society of NSW (RAS) charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication. To help winning Exhibitors promote their success, the RAS provide Champion, Trophy, Gold, Silver and Bronze medal winners with Sydney Royal artwork to use on product packaging, websites, signage and other marketing materials to promote their success.

We review our Competitions every year to ensure they remain relevant to industry standards and up-to-date with changing trends. I hope as an Exhibitor you enjoyed the changes and new improvements we made in your area of Competition. Please do give us your feedback, as we are always looking to strengthen our links with agricultural industries.

There are many people involved in making our Competitions the world-class events they are. Firstly I must thank our judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. I also extend my gratitude to our generous Competition sponsors along with our Committees and supporters.

On behalf of the RAS, thank you for your support of our Competition program. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries.

I hope you enjoyed your Sydney Royal experience and I encourage you to enter again next year.

Heat rises for summer's finest foods

Wednesday 24 February 2016

The search for the best in Australian fine food concluded last week after ten days of judging record amounts of coffee, bakery and aquaculture delicacies at the 2016 Sydney Royal Summer Fine Food Show at Sydney Showground.

A team of 92 expert judges across three competitions put almost 900 products to the test, awarding a total of 53 Gold, 159 Silver and 290 Bronze medals, in addition to 19 Sydney Royal Championships.

Sally Evans, Chair Sydney Royal Fine Food Committee, said the Show was encouraged by record entries, in addition to the quality, diversity, choice and flavour of many products.

"This year's Competition is the best I've ever been associated with. The calibre of entries, producers and judges was the highest I have seen, and as a result, the competition was an enormous success," said Ms Evans.

"The growth of Sydney Royal is exciting to see, with record entries in both the Coffee and Aquaculture Competitions.

"We foster and support Australian agriculture and producers at Sydney Royal, and it was excellent to see so many Australian companies enter fantastic products, and in turn, receive Championship ribbons as a result of their hard work," she said.

Sydney Royal competitions lead the way in an exhaustive range of food competitions, judged seasonally, aimed at promoting quality produce and supporting the Australian food industries.

Coffee

Keeping pace with consumer trends, the coffee competition saw coffee tasted as lattes instead of cappuccinos for the first time, with record entries and home grown success the highlights of the Show

Coffee received 302 entries for the competition. All coffees are roasted in Australia using beans grown locally and abroad; however it was NSW's **Art of Espresso Coffee Company** from Young who took local Champion 100% Australian Single Origin Estate or Regional Blend Coffee honours with its roast from the Skybury Plantation in Mareeba, Tropical North Queensland.

The Coffee Roaster (QLD) Pty Ltd was successful in taking out Champion Espresso – Blend for their TCR 77 product, while **Carlini Coffee Company** of Ashburton in Victoria had an extremely successful show, taking out Champion Latte – Single Origin for their Kenya-grown product, in addition to Best in Show – Coffee Competition, for the same bean.

Three Gold, 32 Silver and 97 Bronze medals were awarded, in addition to four Championships, at the 2016 Sydney Royal Coffee Competition.

MEDIA RELEASE

Professional Bakery

A competition that is always extremely popular with professional bakers from all over NSW, Sydney Royal received 458 entries across 65 classes in 2016.

Judges at the competition were pleased to see support for the Apprentice and Student classes, which continue to foster and acknowledge the growth and development of upcoming bakery professionals.

Gumnut Patisserie from the NSW Southern Highlands was a standout performer once again at this year's Show, winning seven of ten Championships, including Best in Show – Professional Bakery Competition with their Lamb Cutlet Pie.

Brasserie Bread of Banksmeadow in NSW also took out a Championship, as it did in 2015, claiming Champion Bread – Artisan for its Batard. Champion Sweet Biscuit Exhibit went to **Love in Blossom French Patisserie** from Murwillumbah for its Chocolate Parisian Macaron, while **Nu-Triton Pty Ltd** of Terrigal took out Champion Savoury Biscuit for its Cheezy Biscuit.

The Sydney Royal Professional Bakery Competition saw 29 Gold, 74 Silver and 161 Bronze medals awarded, in addition to seven Championships.

Aquaculture

For a country that thrives on fresh seafood in the summer months, it is no surprise to see entries rise in this strong, long-standing competition. The Sydney Royal Aquaculture Competition received a record 137 entries this year, which included an array of tasty products across a range of classes including prawns, oysters, barramundi and salmon, just to name a few.

Gold and Championship status was shared amongst a range of well-known and local producers, which the judges were pleased to see.

A company who has long been successful within Sydney Royal competitions, **Tathra Oysters**, again took out a number of Championships for its premium Nelson Lake Bistro Grade, Medium oyster.

Remaining Championship winners included:

- Champion Prawn– Gold Coast Marine Aquaculture
- Champion Plate Size Barramundi – Coral Coast Barramundi
- Champion Large Whole Fish Barramundi – Coral Coast Barramundi
- Champion Fresh Fish – Tropical Finfish's Giant Grouper (Queensland Grouper)
- Champion Salmon Product – Eden Smokehouse's Hot-Smoked Atlantic Salmon
- Champion Trout Product – Pialligo Estate's Smoked Rainbow Trout Fillet

The Aquaculture Competition saw 21 Gold, 53 Silver, 32 Bronze Medals and eight Championship Trophies awarded.

OYSTERS

Class 2 - Sydney Rock Oysters

Class 3 - Native Oysters (Angasi)

JUDGES COMMENTS: Exhibits showed an excellent understanding of the market requirements for flat oyster. All oysters were excellent in shape and size, with excellent presentation by the farmer. Attention needs to be given to the reproductive condition and spawning cycle when submitting entries for judging.

Class 4 - Pacific Oysters

JUDGES COMMENTS: Exhibits showed excellent attention to detail in regard to shape and presentation. The exhibits were affected by seasonal condition factors, causing variations in internal meat appearance.

BARRAMUNDI & FRESH FISH

Class 5 - Barramundi, Plate Size. 400 - 800g

JUDGES COMMENTS: As a class, consistently good presentation of exhibits, with care taken to present uniform, blemish-free, absolutely fresh barramundi. Judges were very encouraged by the care taken by growers to present premium product. Outstanding result in medal count with flavoursome fish with soft pliable texture. One exhibit was disqualified for not meeting specifications, and one exhibit lost valuable points for securing tags to fish. One issue for judges was the variation in flavour profile of the fish in some exhibits when compared with each other. A higher result would have been achieved if all the fish entered had had consistent flavour profiles. The barramundi is building upon its reputation as a supplier of premium fish to the market place.

The judges felt that this product had solid commercial application. Cold smoked salmon as an alternative to bacon was also an impressive product - beautiful balance of flavours and textures, enhanced by light cooking (grilled or pan fried). GLUTEN FREE BREAD**Class 11** - Gluten Free Loaf

JUDGES COMMENTS: Inconsistent results - one good and one bad. Some very good depth of flavour in one of them. Nice and malty flavour and richness - would be nice toasted. Tops of loaves are consistently dried out, which can be one of the features of a gluten free batter - could be overcome by late steam in the oven.

- B** 38 A. Baker, *Gluten Free Loaf* (Produced by A.Baker) **74.33**
- 39 St Malo Bakery, *Seeded Gluten Free Loaf* (Produced by St Malo Bakery) **51.67**

WHITE BREAD CLASSES**Class 12** - Four Piece Condensed Loaf

JUDGES COMMENTS: Neither loaf was a great example of a four-piece condensed loaf. Industry standard, but not outstanding. Breads proofed too quickly so, as a result, dried out too much. Crumb was white and even in both examples, but crust was a little leathery in both cases.

- 41 Bakers Delight Lane Cove, *White Block Loaf (Four Piece)* (Produced by Bakers Delight Lane Cove) **65.00**
- 40 Chester Square Bakery, *White Square Loaf* (Produced by Chester Square Bakery) **63.00**

Class 13 - Two Piece High Top (Half Married)

JUDGES COMMENTS: Quite good examples of bread just missing out on Bronze. Good volume and bloom, but internal problems with coring indicative of over intermediate proofing and not enough degassing during final mould. Overall, quite good consistent results.

- 43 Chester Square Bakery, *White High Top Loaf* (Produced by Chester Square Bakery) **72.67**
- 42 Bakers Delight Lane Cove, *White High Tin (Two Piece)* (Produced by Bakers Delight Lane Cove) **72.00**

Class 14 - Round Cob

JUDGES COMMENTS: One really nice example of a cob loaf, which has nice bloom, good volume and shows the markings of a loaf that is not rushed and allowed a longer fermentation. The other loaf was very rushed and a little dry. Nice loaves when fermentation is respected.

- B** 45 Bakers Delight Lane Cove, *White Cob* (Produced by Bakers Delight Lane Cove) **75.00**
- 46 Chester Square Bakery, *Round Cob* (Produced by Chester Square Bakery) **70.00**
- 44 Bakers Delight Lane Cove, *Grain Cob* (Produced by Bakers Delight Lane Cove) **Withdrawn**

GRAIN BREAD CLASSES (35% GRAIN BASED ON FLOUR WEIGHT)**Class 15** - Four Piece Condensed Loaf

JUDGES COMMENTS: Good seed distribution, good volume and good taste. Nice loaf of bread and good size for a wholemeal grain loaf. Pleasant grainy taste.

- B** 48 Bakers Delight Lane Cove, *Wholemeal Country Grain Block Loaf* (Produced by Bakers Delight Lane Cove) **75.00**

Class 16 - Two Piece High Top (Half Married)

JUDGES COMMENTS: Very nice loaf of bread. Great volume and shaping. Appearance is excellent good grain distribution - from a consumer point of view, this is an excellent loaf of bread.

- S** 49 Bakers Delight Lane Cove, *Wholemeal Hightin (Two Piece)* (Produced by Bakers Delight Lane Cove) **82.33**

Class 17 - Round Cob

JUDGES COMMENTS: Good volume, but has a burnt bitter flavour where the seeds have burnt. All other aspects of the loaf are quite good. Only represented by the one entry.

- 47 Bakers Delight Lane Cove, *Wholemeal Country Grain Cob* (Produced by Bakers Delight Lane Cove) **69.67**

WHOLEMEAL BREAD CLASSES**Class 18** - Four Piece Condensed Loaf

JUDGES COMMENTS: Very mixed bag, with one loaf an excellent example of a loaf with good volume, crusty colour and flavour. The other example demonstrated a lot of compression and lacked flavour. One suggestion is to try and push for more bran in the wholemeal and still retain the volume.

- S** 51 Bakers Delight Lane Cove, *Wholemeal Block Loaf* (Produced by Bakers Delight Lane Cove) **82.00**
- 50 Chester Square Bakery, *Wholemeal Square Loaf* (Produced by Chester Square Bakery) **62.00**

Class 19 - Two Piece High Top (Half Married)

JUDGES COMMENTS: Thin on entries, so hard to generalise. Vast difference between the two loaves. As a general rule, tendency to rely too much on yeast and bread improver to rush things through. Not an easy loaf to get right due to not being able to score loaf, so needs to be proofed just right.

- B** 53 Bakers Delight Lane Cove, *Wholemeal High Tin* (Produced by Bakers Delight Lane Cove) **78.00**
- 52 Chester Square Bakery, *Wholemeal High Top Loaf* (Produced by Chester Square Bakery) **65.67**
- 54 Bakers Delight Lane Cove, *Wholemeal High Tin* (Produced by Bakers Delight Lane Cove) **Withdrawn**

Class 20 - Round Cob

JUDGES COMMENTS: Nice commercial standard of bread. To take to medal quality, loaf needed to have a bit more volume and better bloom, and the score marks could have opened up. Unfortunately only represented by the one entry.

- 55 Bakers Delight Lane Cove, *Wholemeal Cob* (Produced by Bakers Delight Lane Cove) **69.00**

2016 COFFEE COMPETITION

Class 1 - Espresso. Blend.

JUDGES COMMENTS: Overall, fourteen out of thirty exhibits scored well however, four exhibits were below average results despite the range of light to dark roast. More attention should be paid towards the roast degree, which is very critical to ensure positive flavours irrespective of roast colour. Every coffee needs a special treatment and formula. Exhibitors must ensure that coffees submitted are roasted to suit the particular category, e.g. espresso roast for espresso category, etc.

Class 2 - Espresso. Single Origin

JUDGES COMMENTS: This class had some outstanding green beans. Unfortunately, not all the roast profiles showcased the full potential. The trend overall was a quite light roast profile, hence high acidity and not balanced.

Class 3 - Espresso. 100% Australian Single Origin Estate or Regional Blend.

JUDGES COMMENTS: Overall, this class was disappointing. Coffees were lacklustre, and in some cases, definite defects such as mould or bagginess. Any redeeming features were not realised due to poor roasting. Medal ratio to exhibit numbers quite low. Preparation of the green beans is much improved over past years. Unfortunately, the roasting is letting these potentially great beans down.

Class 4 - Latté. Blend

JUDGES COMMENTS: Overall coffees were of good quality, but roasts should be developed more to cut through the milk better and achieve more balance. Flavour was quite consistent from exhibit to exhibit, with several exceptions being the silver medallists. Standard was good and an improvement on previous years.

JUDGES COMMENTS: Consistent. Overall good standard. Coffee elements cutting through milk. A few entries were lightly roasted and the acidity resulting did not work with the milk. Perhaps the milk coffee ratio is showcasing the coffees.

Class 6 - Latté. 100% Australian Single Origin Estate or Regional Blend.

JUDGES COMMENTS: Good body and flavour across the class. Excellent cut through with milk. Even roasts. Impressive with balance and flavour.

Class 7 - Plunger Coffee. Blend

JUDGES COMMENTS: Overall, a very good standard in this Class with a very high percentage medalling. Three silvers were awarded. There was a good mix of light and darker roasts, showing a good understanding of this maturing category.

Class 8 - Plunger Coffee. Single Origin

JUDGES COMMENTS: Six silver and nine bronze medals out of twenty exhibits. Higher overall result than the blend category. Trend towards lighter roasts highlighted in this category: some successful, some not. We perceived a trend towards African origins, which highlighted citrus fruit flavour profiles. Some thought seems to have been taken by roasters in this category.

Class 9 - Plunger Coffee. 100% Australian Single Origin Estate or Regional Blend.

JUDGES COMMENTS: Very good results with two silver and two bronze medals out of five entries. Generally, roast levels appear lighter than in past years, which should assist this class. Four out of five exhibits showed excellent green bean appearance.

- S** 286 Kahawa Estate Coffee, *Kahawa Estate Lava* **83.67**
- S** 285 Ashtons Australian Coffee, *Clunes Roast* **83.00**

- 287 Pine Tea & Coffee Pty Ltd, *Bella Italia Mareeba Evening Roast* **71.83**

Class 10 - Decaffeinated Coffee. Espresso. Blend or Single Origin.

JUDGES COMMENTS: Considering the number of exhibits, the ratio of medals was somewhat dissapointing, due to exhibits generally being underdeveloped. Thus, exhibits need improvement in terms of roasting to allow optimal bean development and to ensure the coffee is at its best. Decaf requires extra attention when roasting to avoid soury attributes and come up with pleasing sweetness. However, there were a small number of acceptable flavours and development, and well-developed exhibits.
