Royal Agricultural Society of NSW

Thank you from the President

Thank you for entering in this Sydney Royal Competition and congratulations to those who were successful in winning a prestigious Sydney Royal award.

Our Sydney Royal competitions showcase excellence in rural produce and the passion of so many talented producers across NSW and interstate each year.

The standard of entries from right across the country continues to be remarkably high which is immensely pleasing for everyone involved in the Royal Agricultural Society of NSW (RAS). Rewarding excellence and encouraging innovation in food and wine production is at the heart of our charter, and in turn supports a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication and is highly regarded by fellow producers. To help winning Exhibitors promote their success, the RAS provides Champion, Trophy, Gold, Silver and Bronze medal winners with Sydney Royal artwork to use on product packaging and other marketing materials to promote their success.

The RAS has a solid reputation for impartial judging standards, quality and distinction. We review our Competitions every year to ensure they remain relevant to industry standards and are up-to-date with changing trends. In the same manner, we value the strong links we have with agricultural industries and welcome feedback from producers and exhibitors.

There are many people involved in making our Competitions the world-class events they are and we take this opportunity to thank our stewards and judges for their time, expertise and energy. Their wisdom and integrity ensure Sydney Royal awards are presented only to the best of the best. We also extend our gratitude to our generous Competition partners along with our Committees and supporters.

On behalf of the RAS, thank you for your support. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries, and we encourage you to join in the tradition of entering every year.

We hope to see the winners of this year's Competitions go on towards even greater things as a result of their Sydney Royal success.

Piccolo Wins Rare Sydney Royal Gold Medal on Debut

26 February 2018

A Piccolo entry from Sydney has won one of just three gold medals awarded for Coffee at the Sydney Royal Fine Food competition run by the Royal Agricultural Society of NSW (RAS) at its home, Sydney Showground, Sydney Olympic Park.

It is the first time Piccolo had been a nominated class in the Coffee section of the Sydney Royal Fine Food competition's Summer Series. Like all such competitions, the entry classes are reviewed each year to be in line with industry and consumer tastes.

Freshfood Corporation Pty Ltd at Concord has won gold for it's the House of Robert Timms – Fairtrade entry in the Piccolo – Blend class.

Gold Medals were also awarded to Dandelion and Driftwood from Hendra in Queensland for its Wolff Coffee Roasters entry in the Latté, Blend class and Beanroasters, Fyshwick, ACT for its Beanroasters Colombia Castillo entry in the Latté, Single Origin section.

In all 343 coffee entries were received from 64 exhibitors across Espresso, Latté, Plunger, Decaf and Piccolo categories, with a 10% increase on the 2017 competition.

Prawns made a welcome return to competition after a one year hiatus due to White Spot concerns overseas and Gold Coast Marine Aquaculture at Woongoolba, Queensland has claimed all three Gold Medals awarded in the Cooked Prawns - Any Species category.

Tathra Oysters has starred in the Oysters section of the Sydney Royal Fine Food competition, the former President's Medal winner claiming four of the seven Gold Medals awarded in the Sydney Rock Oysters – Unopened class.

A total of 146 entries were received in the Aquaculture (Oysters, Prawns, Barramundi and Fresh Fish, Salmon, Trout and other Products) classes from 55 exhibitors, again a healthy increase on the 2017 competition.

The Professional Bakery competition has seen 22 Gold Medal winners awarded across the 362 entries in the Bread, Cake, Biscuit and Apprentice classes.

Among the incredible stories behind every successful entry is that of James Partington who took up baking bread as physical therapy following major heart surgery in 2012.

His bakery, Staple Bread and Necessities at Queenscliff on Sydney's Northern Beaches is now a Sydney Royal Gold Medal winner in the Sourdough Loaf class.

ALDI is also a Gold Medal winner from the Professional Bakery competition, taking out the top prize for its Specially Selected Vintage Christmas Pudding in the Pudding section of the competition.

Chair of the Sydney Royal Wine, Dairy and Fine Food Committee Lyndey Milan OAM says the competitions continue to gain even greater support each year;

MEDIA RELEASE

“All three competitions, Coffee, Professional Bakery and Aquaculture saw increased entries in 2018 over last year and that is a sign of not only the recognised prestige of Sydney Royal and our competitions, but the growing landscape of fine food in Australia,” Lyndey Milan said.

“It is evident by the number of interstate entries that this is truly a prestigious range of competitions of national importance.

“Winning at Sydney Royal is good for business,” Lyndey Milan said.

BARRAMUNDI & FRESH FISH**Class 5 - Barramundi, Plate Size. 400 - 800g**

JUDGES COMMENTS: Presentation was exceptional, fish uniform, well-conditioned, mostly blemish free specimens, very fresh, visually impressive. Flavour profile varied somewhat but in most cases was very impressive. Overall this Class profiled extremely high quality products.

- G** 61 Pejo Enterprises, *Barramundi Plate Size* (Produced by Pejo Enterprises) **91.67**
- G** 65 GFB Fisheries, *Plate Size Barramundi* (Produced by GFB Fisheries) **91.67**

Class 7 - Fresh Fish, Plate Size (other than Barramundi) e.g. Rainbow Trout, Murray Cod. 400 - 800g

JUDGES COMMENTS: For new Exhibitors to the competition there were issues around the uniformity and quality of Exhibits. Fish of different sizes/weights and some fish showing signs of stress and packing damage were marked down. Several Exhibits were outstanding in presentation with identical samples of the highest quality fish. This gave the appearance that the fish had been harvested the morning of the judging. The flavour profile of Murray Cod Exhibits was excellent with no issues as seen in the past with excess body fat within the fish. A great Class.

- 75 Murray Cod Australia Ltd, *Murray Cod - Plate 800g* (Produced by Aquacomm Pty Ltd) **72.33**

Class 8 - Fresh Fish, Large (other than Barramundi) e.g. Mulloway, Ocean Trout, Salmon, Murray Cod. Large 2 - 4kg

JUDGES COMMENTS: The majority of Exhibitors were well graded uniform Exhibits of the highest quality. Outstanding example of high quality farmed seafood. A couple of Exhibits were marked down for mismatched Exhibits which was a shame as they presented outstanding tasting qualities. This Class continues to expand and excel with farmed seafood of the highest quality.

- G** 82 Petuna, *Head On & Guttled Ocean Trout* (Produced by Petuna) **90.67**

Class 2 - Espresso. Single Origin

JUDGES COMMENTS: Overall the standard was high, clearly there are some roasters who are pushing the boundaries and experimenting with various profiles and origins. The majority of profiles seem to have swung back to the darker roast levels. While there were some unique coffees, its questionable whether they would have commercial application.

Class 3 - Espresso. 100% Australian grown coffee from a Single Origin or Regional Blend Estate

JUDGES COMMENTS: A small yet diverse Class showcasing the imaginative and innovative nature of the Australian coffee industry. Noticed that there was an overall tendency towards darker roasts and profiles, which may have reduced the panels ability to truly appreciate these Exhibits.

- B 115 Bellissimo Coffee Pty Ltd, *Australia Single Origin* (Produced by Bellissimo Coffee Pty Ltd) **76.25**

Class 4 - Latté. Blend

JUDGES COMMENTS: Found the overall trend in this Class was a lack of roast development, which resulted in lack of depth of flavour and hence not cutting through the milk well. There was also a lot of Exhibits that were submitted too fresh and the flavour profile hadn't settled. Some Exhibits were over roasted and diminished the flavours and potential complexity.
