Thank you from the President

Thank you for being part of the biggest celebration of the country in the city by entering one of our Sydney Royal Competitions at the 2017 Sydney Royal Easter Show.

The standard of entries from right across the country continues to be remarkably high which is incredibly gratifying for everyone involved in the Royal Agricultural Society of NSW (RAS). Agricultural competitions are of course at the heart of the Society's charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities.

To be the recipient of a Sydney Royal award is a significant achievement representing months, years and sometimes decades of hard work and dedication. We want to ensure that passion is rewarded, so the RAS provides winning Exhibitors with Sydney Royal Award artwork which can be proudly displayed on packaging, websites, signage and other marketing materials to promote their success.

Our Competitions are scrutinised every year to ensure they remain relevant, abide by industry standards and are up-to-date with changing trends. I hope as an Exhibitor you enjoyed the changes and improvements we made in your area of Competition. We welcome your feedback, as you are immersed in the industry.

Many people are involved in making our Competitions world-class events. Firstly I must thank our judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. My gratitude is also extended to our generous sponsors along with our Committees, Breed Societies and supporters.

On behalf of the RAS, thank you for your interest in our Competition program. Your participation plays an important role in assisting the RAS to educate and increase awareness about the importance of our agricultural industries.
