Royal Agricultural Society of NSW

## Welcome from the President

Thank you for your interest in entering a Sydney Royal competition at the 2023 Sydney Royal Easter Show.

Agricultural competitions are at the heart of the Royal Agricultural Society of NSW (RAS) charter – to encourage and reward excellence, and support a viable and prosperous future for our agricultural communities. And it's been that way since our first Show in 1823. Today, the Sydney Royal competitions held at the Show attract close to 30,000 entries each year from passionate, skilled producers, competitors and craftspeople across the country.

The spirit of friendly competition comes alive at the Show each year when Australia's agricultural community comes together to celebrate at the Sydney Showground, and state pride comes to the forefront. There is also a remarkable sense of belonging and of representing your region with pride.

To further enhance the sense of community if you are not a Member, I recommend joining the RAS - membership provides the perfect opportunity to get even more out of your Show experience.

Every year, the RAS works to evolve the Sydney Royal competitions. Our commitment to adapting to consumer and industry trends ensures our competitions remain relevant, encourage excellence and are world-class.

The integrity of our Sydney Royal competitions rests in the hands of accomplished, knowledgeable and most importantly independent judges. I'm always impressed by their professionalism, energy and high ethical standards.

On behalf of the RAS, I encourage you to enter a 2023 Sydney Royal competition and wish you the best of luck. I'm very much looking forward to seeing the plethora of skills and talents on display at the Show.

Whether you leave the Show with a prize or not, I hope that you and all other exhibitors and competitors benefit from your Sydney Royal experience and look forward to welcoming you back for many years to come.

## PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced Regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS Awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.
