Royal Agricultural Society of NSW

From the President

Thank you for entering this Sydney Royal Competition and congratulations to all entrants who were successful in achieving the status of Sydney Royal medal winner. This year more than any other, as we begin the countdown to our bicentenary celebrations, we are extremely grateful to all Australian producers who support our competitions and strive to excel within their industry.

The first ever Sydney Royal medal in a competition, a silver tankard, was presented to Jonas Bradley in 1823, the first successful grower of tobacco in the new colony. Ten Spanish dollars was awarded to William Howe for cheese in 1824, and so the rich legacy of our competitions began.

To be the recipient of a Sydney Royal award is a significant accomplishment representing months, years and sometimes decades of hard work and dedication. The ability to go to market with Sydney Royal artwork on the packaging elevates your product and signifies the exceptional quality recognised by our judges.

The rewards for excellence are to be applauded this year in particular, coming off the back of once-in-a-hundred years conditions including drought, floods, fires and a global pandemic. The determination and spirit of producers right across Australia is to be applauded and appreciated. To continue to follow your passion despite seemingly insurmountable odds, and to value your work enough to enter into competitions is one thing, but to achieve outstanding results is a testament to all that the Sydney Royal competitions stand for.

Our competitions are renowned for their fair yet rigorous judging process, the professionalism and integrity of our judging panels and the relevance of our classes to industry and consumer trends. We review our Competitions every year to ensure they remain relevant to industry standards and up-to-date with changing trends and we value feedback from all entrants.

There are many people involved in making our Competitions the world-class events they are. I must thank our judges for their time, expertise and energy. Their impeccable ethics ensure only the best of the best are awarded. I also extend my gratitude to our generous Competition sponsors along with our Committees and supporters.

I hope all entrants have enjoyed their experience and take advantage of the feedback they receive as well as the marketing opportunities available for those who are Sydney Royal medal winners. I encourage all of you to enter again next year and continue to grow your product alongside those of your peers.

Donated by the NSW Department of Primary Industries and first presented in 2013. It honours the contribution made to the NSW Wine Industry by James Busby. Busby saw the early colony of New South Wales as the vineyard of the British Empire and in 1831 spent four months gathering a collection of 570 of the most valuable varieties of Europe's vine clippings. They were brought to Sydney and planted in 1832. By the 1860s nearly all award-winning wines at the Agricultural Society Show in Sydney were derived from the Busby collection. The trophy replaced the former James Busby Annual Prize, and from 2017 is awarded to the NSW wine achieving the highest total medal score over the previous 12 months on the NSW Wine Show circuit.

JUDGES' COMMENTS: Really strong class, with some bright fresh and vibrant wines. Top scoring wines are obviously being held back with purpose, some other need to be drunk soon. Watch use of oak, and acid additions, these do not tend to dissipate with age.

CLASS 26 - Grenache dominant blends, 2021 and older

JUDGES' COMMENTS: Rewarded wines showed lovely brightness, fruit purity, balance and texture through the palate. An enjoyable grouping of youthful wines. Older wines unfortunately had started to lose freshness and tannin extraction was a little overt.

CLASS 28 - Shiraz, 2020

JUDGES' COMMENTS: Wines which were rewarded showed a nice balance between fruit, extract and oak handling. Some wines were over ripe and lacked freshness, some were too heavily extracted for their fruit weight. Top wines were well balance and showing great fruit purity. Non-medal wines showing excessive oak and premature development.

- CLASS 37 - Cabernet Sauvignon, 2019**
- JUDGES' COMMENTS: A lot of wines heading towards their drink by date. Advanced wines and over use of oak a major problem for a lot of the non-medal winning wines. Top wines display varietal fruit, great tannin, and freshness.
