

EDIBLE CHOCOLATE SLIME!

- * 1/2 cup cornflour
- * 1 tablespoon cocoa powder
- * 1/3 cup coconut milk

Pour cornflour in

STEP 1.

Pour cornflour into a bowl.

Add cocoa and mix

STEP 2.

Add cocoa to the bowl and mix together.

Your ingredients!

Add wet ingredients to dry and mix!

STEP 3.

Heat coconut milk in the microwave until it's warm (roughly 20 seconds - not too hot).

STEP 4.

Pour coconut milk into dry ingredients and mix with a spatula. Place onto board and knead until it's a slime-like texture.

Blob on board!

Knead the slime!

Edible Slime!!!

- * If your slime hardens, pop back into the microwave for 10 seconds.
- * If you want sweeter slime, add a teaspoon of powdered sugar or chocolate syrup.
